Name Of The Activity	Promoting Gender Equality	
Type Of Activity	NSS	
Date And Time Of Activity	3.8.2020	10.30am
No. Of Participants	33	
Coordinators	K. SURENDAR REDDY	
Description	<p>The principal addressed the gathering and welcomed all. The HOD distributed the work and the coordinators proceeded with camp.</p> <p>Education is a lifelong process that is vital to India's economic and social progress. Women and men continue to face gender stereotypes and prejudice from preschool to adult education, which can have a significant impact on their educational choices and career paths. Teachers play an important role in promoting gender equity in schools/colleges/universities. Gender equality in and through education necessitates the creation of egalitarian institutions that provide policies, budgets, and plans that allow everyone to succeed, regardless of whether they were born male or female.</p> <p>Finally HOD congratulated all for successful conduction of camp and felicitated the team.</p>
