Description	<p>The principal addressed the gathering and welcomed all. The HOD distributed the work and the coordinators proceeded with camp.</p> <p>The idea is to raise their awareness about the use of sanitary napkins and eventually develop a habit in them to buy rather than using unhygienic alternatives. From a very young age, especially in India, girls are taught, rather trained, to succumb to the pain. Irrespective of the time, their physical health during their cycle is deeply neglected, not considered in the first place. The challenges faced by young girls and women have always been the top most issues in the Indian culture.</p> <p>Finally HOD congratulated all for successful conduction of camp and felicitated the team.</p>
