Description	<p>Mother Teresa College of Pharmacy we had conducted a Language and communication skills program on “COMMUNICATIVE ENGLISH TRAINING & COMMUNICATION SKILLS” on 13.05.2023 at Seminar hall. In this occasion students and teaching staff actively participated in this program.</p> <p>In this our principal Dr V Kiran Kumar Garu delivered a few words regarding the importance of Communicative English Training & Communication Skills-“Information, control, motivation, and emotional expression and interdependence – these are the four main functions of communication.</p> <p>Communication Learning Objectives</p> <ul style="list-style-type: none">• Understand and apply communication theory.• Critically think about communication processes and messages.• Write effectively for a variety of contexts and audiences.• Interact skillfully and ethically.• Develop and deliver professional presentations. <p>Language Objectives are “how” the students will show what they are learning. They are focused on the four domains of Speaking, Listening, Reading, and Writing. The ELP (English Language Proficiency) standards and the WIDA standards are sources of language objectives.</p> <p>An overarching aim of teaching and learning languages is to enable the student to become a critical and competent communicator. The aims of the teaching and learning of MYP language acquisition are to: gain proficiency in an additional language while supporting maintenance of their mother tongue and cultural heritage.</p> <p>In this programme 150 students and teaching staff participated and made the program success.</p>

Description	<p>Mother Teresa College of Pharmacy we had conducted a Language and communication skills program on “COMMUNICATIVE ENGLISH TRAINING & COMMUNICATION SKILLS” on 22.08.2019 at 10.30 am in Seminar hall. In this occasion students and teaching staff actively participated in this program.</p> <p>In this our principal Dr.Satish Puttachari delivered a few words regarding the importance of Communicative English Training & Communication Skills- “Information, control, motivation, and emotional expression and interdependence – these are the four main functions of communication.</p> <p>Communication Learning Objectives</p> <ul style="list-style-type: none">• Understand and apply communication theory.• Critically think about communication processes and messages.• Write effectively for a variety of contexts and audiences.• Interact skillfully and ethically.• Develop and deliver professional presentations. <p>Language Objectives are “how” the students will show what they are learning. They are focused on the four domains of Speaking, Listening, Reading, and Writing. The ELP (English Language Proficiency) standards and the WIDA standards are sources of language objectives.</p> <p>An overarching aim of teaching and learning languages is to enable the student to become a critical and competent communicator. The aims of the teaching and learning of MYP language acquisition are to: gain proficiency in an additional language while supporting maintenance of their mother tongue and cultural heritage. In this programme 130 students and teaching staff participated and made the program success.</p>
